Instructions:

1. Cut out the cover insert, on page 1, around the outer perimeter. Do not cut along the center.
2. Fold the cover insert in half, with the text on the outside.
3. Insert the cover insert in the CD case cover.
4. Cut out the tray insert, on page 2, around the outer perimeter.
5. The right-most long narrow title "tab", on the tray insert, is for CD case with a transparent tray. Remove this "tab" if the CD case has an opaque tray.
6. Fold the left and right long narrow title "tabs" to a 90 degree angle, away from the main tray cover portion. If the right-most "tab" is retained for a transparent tray, fold that "tab" 90 degrees again, away from the title "tab" next to it. The text should appear around the exterior of the folded cover, not the interior.
7. Remove the tray from the case.
8. Place the tray insert in the case.
9. Insert the tray, being careful that the title tabs are flat against the case.
10. Please appropriately discard this portion and the scrap bits of paper.

Aurora Floyd

Aurora Floyd, the daughter of a rich banker and an actress, could not have had a better start: back from a finishing school in Paris, she is beautiful, clever and rich. Two men instantly fall in love with her. But when they discover that she have done something very wrong in her past, who will stand by her side? With a set of unforgettable characters, the author delivers to us what she calls "a domestic drama". This book asks some major questions: is it good to love someone even if they lied? Even if they were amoral and behaved very badly? Is it good to forgive everything? Those questions are timeless, and so is this book.
